

Mile High Health Alliance Partner Tool Results

Board of Directors
January 2019

Mile High
Health Alliance

Why?

Mission: Achieving better health through collaboration

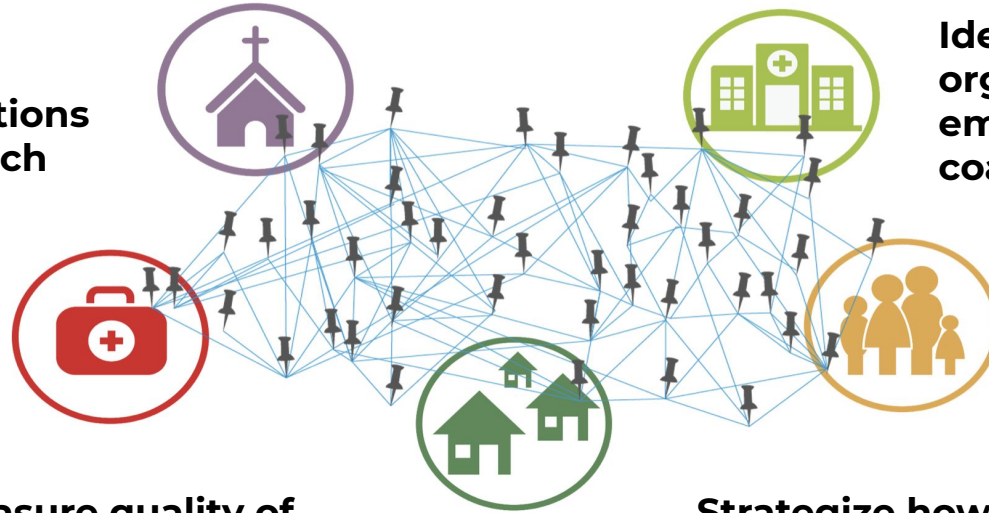

Act as a Connector: Lead as a convener to explore, integrate, connect, and advocate for members and other stakeholders in Denver

Mile High
Health Alliance

What is Partner Tool?

See which organizations are connected to each other

Identify how each organization is embedded in the coalition

Measure quality of these connections

Strategize how to strengthen ties, fill gaps, and increase efficiency
