The Network Innovation Summit

Networks In Times of Crisis

MAY 18, 2020 | 8:30 AM - 4:15 PM MT

A 100% VIRTUAL EVENT

Welcome!

Thanks for joining our inaugural Network Innovation Summit! We're thrilled to have such a diverse, engaged group of network leaders and thinkers. We have representation from more than 30 states, 7 countries & 4 continents, along with diverse sectors and industries.

We designed the program with interaction and engagement in mind. You are about to experience a virtual design sprint where we will collaboratively tackle The Future of Networks, with a focus on Networks in Times of Crisis. Thanks to our partners at Lunchpool, you can engage face-to-face, in an experience we hope captures the spirit of an in-person program. We also deeply appreciate the support of our primary sponsor, the Robert Wood Johnson Foundation. Their support, along with support from our other sponsors, has enabled us to make this a very special event.

During the NIS you will participate in two design thinking exercise. At the end of the event, your team will send their finished Systems Map and Solution Pitch to hello@visiblenetworklabs.com and we'll participate in a friendly voting competition. You can also email us If you have any questions or concerns during the day, or visit the Tech Support table in the main event space. We hope you enjoy this exploration of the future, networking with other leaders, and leave with ideas to make big systems change!

Sincerely,

Summit Technology

USING LUNCHPOOL

To login to the event, click the link emailed to you on Friday. Your email address is your username, and the password is 'NIS2020'.

Once you're in the room you can join a table just like an in-person event by double clicking on an open chair at the table. As with Zoom, you can turn your microphone & camera on and off at your table.

During panels and sessions, you'll automatically see the speaker and your camera will be turn off and your microphone will be muted. You can ask questions and talk with others via chat. There are also four side lounges you can visit to have side-discussions with other participants.

NEED HELP WITH A TECH ISSUE?

-Visit the Tech Support Table by double clicking on it.
-Chat with a Tech Support Team Member in the chat feature
-Send an email to hello@visiblenetworklabs.com
-Download the Program, handouts and more at visiblenetworklabs.com/nis-pitch-projects/

PHOTOGRAPHY DISCLAIMER

Please note that photographs and footage will be taken throughout Network Innovation Summit. These will be used by the University of CO Denver and Visible Network Labs for marketing and publicity in our publications, on our website and in social media or in any third party publication. Please contact the event organizer if you have any concerns or if you wish to be exempted from this activity.

After the Summit

At the end of the event, make sure your team's finished systems map & solution pitch is sent to hello@visiblenetworklabs.com. You'll have until May 20th to get your pitch submitted in case you don't finish.

At that time, you can vote for your favorite. The first, second and third place teams will all win a prize!

Vote at https://visiblenetworklabs.com/nis-pitch-projects/

All main presentations & panels will be recorded and shared following the event. Activities & table conversations will not be recorded, so you can speak freely. We will also share links following the event for a slack group and facebook group to keep our NIS community in touch for the future.
